Trio of tabby, calico and white cats

by MiaQc

Summary

A short and simple story about a trio of tabby, calico and white cats.

- A translation of Trio de chats tigré, calico et blanc by MiaQc

In a house, a trio of cats live a good life. A big male tabby cat who prefers to give way to the others rather than fight with them with his paws. A female calico cat who is always full of energy. A female white cat who doesn't hesitate to meow to get her human's attention. The trio of cats has lots of toys, cat trees, good food and sometimes the neighbors' cats come to visit. A beautiful cat life, basically.
